

MA111 — Homework #7

Due Friday, October 23

PLEASE WRITE NEATLY AND STAPLE YOUR PAGES TOGETHER!

These exercises come from the handout on Case Studies for Quantitative Reasoning and *not* the regular textbook.

1. Page 168, #1, 2, 3, 5, 6, 7, 9, 10.
2. Page 31, #1, 2, 3, 4.
3. Page 35, #3, 4;
4. You are making \$12 an hour. Due to the recession, your boss cuts your pay by 10%. One year later things are picking up, and your boss says he is now going to increase your salary by 10%. Will you be making \$12 an hour again?
