MA 341 Homework #6
Due Friday, October 17, in Class

For each of the following five polyhedra (see separate handout on Polyhedra), provide a good sketch (or printout from SketchUp) and the list of coordinates of its vertices.

1. 333: triangle-triangle-triangle

2. 3333: triangle-triangle-triangle-triangle

3. 3434: triangle-square-triangle-square

4. 366: triangle-hexagon-hexagon

5. 466: square-hexagon-hexagon
