

The Platonic Solids

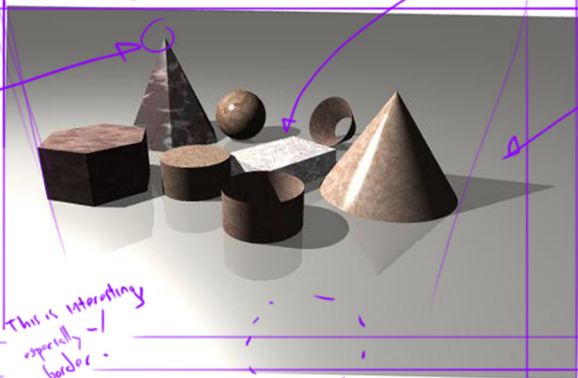

More space or
better yet,
make
8 right off
edge.
↓
more subtle
variation
please

Anything to be more or less extreme
I rotated + clockwise
a little

If this one is going to stand
out /
do something
special!

Stronger shadow
to activate
negative
space -
Otherwise
crop it.

This is interesting
especially w/
a border.

what if there were some
unexplained reflection or if
sunlight underwater or in
sky.
